GENERAL INFORMATION

There are 5 collections for each route during the months of November, December and the first two weeks of January. Please refer to the schedule for your route and corresponding collection dates. In order to progressively move from one route to the next, **each street on each route will be collected only once during the week**.

Leaf collection instructions

- Leaves must be raked to the street by 7:00 a.m. of the first day of the collection week. e.g. if your collection is the week of Nov. 5th – Nov. 9th, leaves must be at the street by 7:00 a.m. on Nov. 5th.
- Rake leaf piles to curbside or road edge, not in the street or in drainage way (ditches, swales).
- Place leaf piles in an open area for easy vacuum truck access. Leaf piles behind vehicles, trees or bushes cannot be picked up.
- Do not mix twigs or sticks or limbs into your leaf piles.
- In case of rain, crews will pick up on the route where they left off.
- If you miss these collections or prefer to bag your leaves, place bagged leaves curbside on your regular trash collection days. There is a 10 bag limit per collection day.

Christmas Trees will be collected the first two Mondays in January - Jan. 7 and 14, 2013. Trees must be placed at the curb before 7:00 a.m. for collection.

For more information, please call the Public Works and Utilities Department at 220-6140, or visit www.williamsburgva.gov
