

City of Williamsburg parks and trails afford residents countless opportunities for outdoor recreation and enjoyment; enhancing our sense of community and well-being. We have created a balance of passive and active recreational opportunities for our residents to use and enjoy.

Williamsburg owns and maintains ten (10) parks for residents to use and enjoy during their leisure hours that includes three (3) community parks, four (4) neighborhood parks and three (3) passive parks. Amenities include playground equipment, sand volleyball, tennis courts, picnic pavilions, basketball, athletic fields for softball, as well as boating opportunities and boat rentals.

Be sure to keep you and your family's commitment to health, fitness, and getting out into the community by participating in one of our many programs, enjoying a walk along the trail or visiting the many parks recreation facilities Williamsburg has to offer. Enjoy your visit!
