

Waller Mill Park is a 2,705-acre park situated around a reservoir that was opened to the public in July 1972. The 360-acre lake is open for fishing, boating, pedal boating, canoeing and kayaking with a tunnel connecting the upper and lower sections of the lake. Numerous picnic tables, picnic shelters, play fields, and playground equipment are nestled among the trees providing scenic picnic areas.

The Park Office is located near the main parking lot and the dock area. This is where you can receive assistance renting boats, canoes, kayaks, making shelter reservations, as well as information on memberships and walking trails. Restroom facilities are located in the breezeway of the building. A retail shop includes items that you would need for fishing including poles, tackle and bait. Also available for sale are bottled water, snacks, soda and everyone's favorite...ice cream!

Be sure to keep you and your family's commitment to health & fitness strong by getting out and enjoying the many amenities our park has to offer. Enjoy your visit!

Disc Golf

Waller Mill Park is home to an 18-hole Disc Golf course. Disc Golf is played in much the same fashion as traditional golf but uses thrown discs instead of a struck ball. The sport, which was first played in the 1970s, shares a similar goal with traditional golf of completing a hole in the fewest number of strokes (or in this case, throws!). Players have a choice of two tee pads at each hole from which to throw their discs along the fairway towards the metal basket.

Fishing

The lake is stocked with striped bass, largemouth bass, crappie, blue gill, yellow and white perch, catfish and red-eared bream. Anglers can rent one of the park's rowboats for a daily rate or if they prefer, a boat ramp is available for launching their own small boat. Electric motors may be used, and are available for rent at the

Park Office. *No bank fishing is allowed at the park; however, two fishing piers are available free of charge. A Virginia state freshwater fishing license is required to fish.*

Boating

Rowboats and pedal boats are available for rent year round. Canoes and kayaks are also available for rent during the warmer months. Lifejackets are provided when renting a boat.

Swimming in the reservoir and beaching of boats is strictly prohibited.

Picnic Shelter Rentals

Four picnic shelters are available for rent and can accommodate up to 150 people depending on the shelter rented. Reservations are taken on a first-come, first-served basis and can be made by contacting the park or visiting the Park Office.

DOG PARK

The Dog Park at Waller Mill Park is located at the main entrance to the park, adjacent to the parking lot. The 1 ½ acre dog park is an unleashed dog park with two areas for dogs to run. One fenced area is for smaller dogs weighing 30 lbs. or less, and the other fenced area is for all dogs.
