FY 2020 GOALS INITIATIVES & OUTCOMES
To advance the City’s vision, every two years the Williamsburg City Council identifies new strategic objectives for our city government. The Williamsburg City Council and staff are excited to present the 2019/2020 Goals, Initiatives, and Outcomes.

Goals, Initiatives, and Outcomes (GIOs) provide an expression of priorities, as specific and measurable as possible, covering a two-year period.

GIOs are not intended to be a comprehensive list of all city services and activities. Instead, they provide concrete, coordinated expression of the City Council’s direction and focus. In that way, they drive the operating budget and capital budget formation.

This set of GIOs will guide the actions and policy of the City for a portion of fiscal year 2019, all of 2020, and a part of 2021.

Adopted by the Council on November 8, 2018, the plan contains eight goals and 51 initiatives to achieve those goals. New this year, is a separate list of initiatives that require further development and another list for horizon planning – both of which are not expected to be completed in this two-year biennium, but rather in the three to five-year range.

The staff and Council reduced the number of GIOs for 2019/2020 to have a more focused impact. This set of GIOs contain 51 initiatives compared to 124 from the 2017/2018 plan.

Our city depends on community engagement. Please follow our progress using the city website, williamsburgva.gov. Beginning in 2019 we will post reports and updates for each of these action items.

Thank you for being a participant.
