England St, S. Henry Street, Strawberry Plains, Tyler St, Williamsburg Ave, Walnut Hills, John Tyler Hwy, The Woods

\*City is closed November 11 & 28-29, and December 24-25.

**The City provides free curbside collection of leaves as a service to our residents. The following guidelines are provided to assist you in receiving the best service:**

1. There are 5 collections for each route during the months of November, December and the first week of January.
2. Please refer to the schedule for your route and corresponding collection dates.
3. In order to progressively move from one route to the next, each street on each route will be collected only once during the week.
4. Leaves must be raked to the street **by 7:00 a.m. of the first day of the collection week.** e.g. if your collection is the week of Nov. 18—Nov. 22, leaves must be at the street by 7:00 a.m. on Nov. 18
5. Rake leaf piles to curbside or road edge, **not** in the street or in drainage way (ditch, swales).
6. Place leaf piles in an open area for easy vacuum truck access. Leaf piles behind vehicles, trees or bushes cannot be picked up.
7. Do not mix sticks or limbs into your leaf piles.
8. In case of rain, crews will pick up on the route where they left off prior to the rain.
9. If you miss these collections or prefer to bag your leaves, place bagged leaves curbside on your regular garbage collection day. There is a **10 bag limit** per collection day.

If you've been blowing those annoying leaves into the street and down the storm drain – you've blown it! **Leaves should never be blown or raked into storm drains.** When leaves enter storm drains, they clog the pipes and cause street flooding. And if they aren't removed, the leaves will start to decay, which sends a whole lot of nutrients into our waterways. Our local fish and crab populations can't thrive when nutrient-fueled algal blooms choke the waterways. We know you want to do your part to protect our water.

**Did you know it's illegal to dump anything into a storm drain?**

Report incidents to the Public Works Department at 220-6140 or the Police Department at 220-2331.

City crews will be collecting Christmas Trees on Monday, January 6 and Monday, January 13. Trees must be placed at the street before 7:00 a.m. for collection. Please remove all decorations and lights.

### Never miss your Collection

Get free reminders before your pick-up

Choose how:

- App for iPhone & Android devices
- Text message
- Email
- Phone call
- Embed your schedule into your online calendar

Choose when:

- The day before collection
- The morning of collection

Getting reminders is easy & free.
