

CITY OF WILLIAMSBURG
MEMORANDUM

TO: Mayor and City Council

DATE: April 4, 2013

SUBJECT: 2013 Asphalt Overlay Schedule, Award of Bid

The annual asphalt overlay schedule for FY13 was prepared by staff based on field inspections and review of when streets were last overlaid. The project was formally advertised and the following bids based on unit costs were received and opened on March 28, 2013:

1. Branscome, Inc.	\$271,819.75
2. Basic Construction Co.	\$294,598.70

The following streets are included in this year's program:

Matoaka Court
Mt. Vernon Avenue
Monticello Avenue
S. England Street

The bid also includes pavement markings (lines, crosswalks, arrows, stop bars). The work is planned to begin in May and be completed by July.

The total bid is based on unit prices using estimated quantities, therefore the total cost to the City will vary from the total bid submitted as it will reflect actual quantities used to perform the work. There is sufficient money in the FY13 budget to cover the costs of the project.

The low bidder is Branscome, Inc. who is well qualified and has routinely performed asphalt work for the City.

Staff Contact: Public Works Director Dan Clayton

Recommendation: That City Council authorize the City Manager to execute a contract with Branscome, Inc. for the 2013 asphalt overlay schedule based on unit prices in the amount of \$271,819.75.
